FINNEYTOWN

1965

YEARBOOK OF FINNEYTOWN HIGH SCHOOL

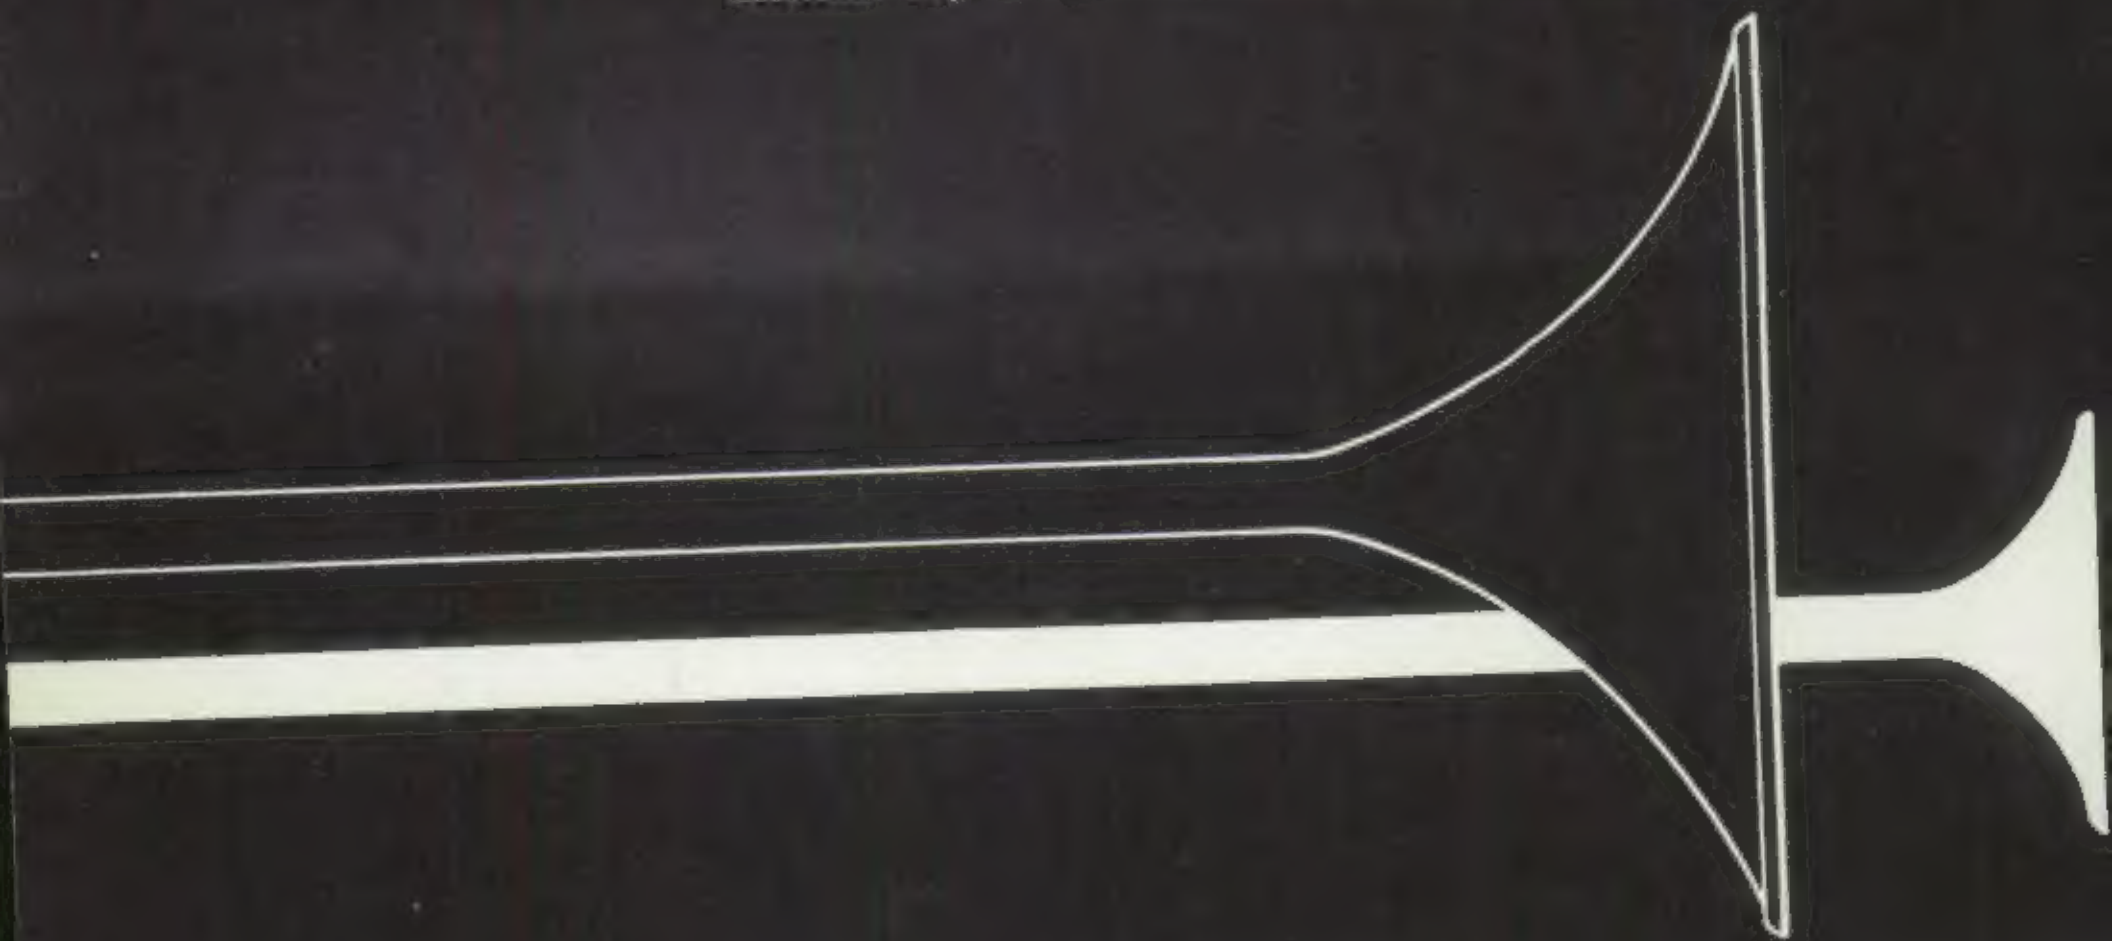

CINCINNATI, OHIO

SAY IT WITH MUSIC

Music is an integral part of our high school lives. The music we hear as students is not only melodious tunes, but it is also the rhythmic sounds of everyday life. A person who tries to live without music is like one who tries to live without friends. Feelings inspired by friends and those aroused through music make people in part what they are. What a dull life a person would lead if the only emotions he ever knew were those from within himself!

Look around you; music is everywhere. The choruses in rehearsal. The rhythmic beat of the drums as the band crosses the field. The Concert Choir bringing Handel's "Messiah" to life. The enthusiastic applause of an enraptured audience. This is music. But music is also the voices of our friends. The repeating click of typewriter keys. The tapping of heels in a chorus practicing for the annual school show. The vibrant chant of the crowd as they cheer their team to victory.

Just as music influences our lives, it also affects the lives of others. Music has become a universal language. It expresses thoughts and emotions that no words could ever communicate. For this reason the annual staff has chosen a musical theme for its 1965 annual. We hope that the Finneytown High School student body, particularly the Seniors, will understand why we have tried to SAY IT WITH MUSIC.

All hail to happy school days; hail
To golden hours now flying,
Good times, good friends, good learning; hail
To memories undying.
We'll raise one song to Finneytown,
The echoes soft replying:
Be ever true to Red and Blue.
Our Finneytown, All Hail to You.

A Wildcat Is . . .

Sports, Clubs,

A Wildcat's life is a spinning disc. Football, Track, Cheering, and Twirling plus Sports Organizations such as F-Club revolve about each student.

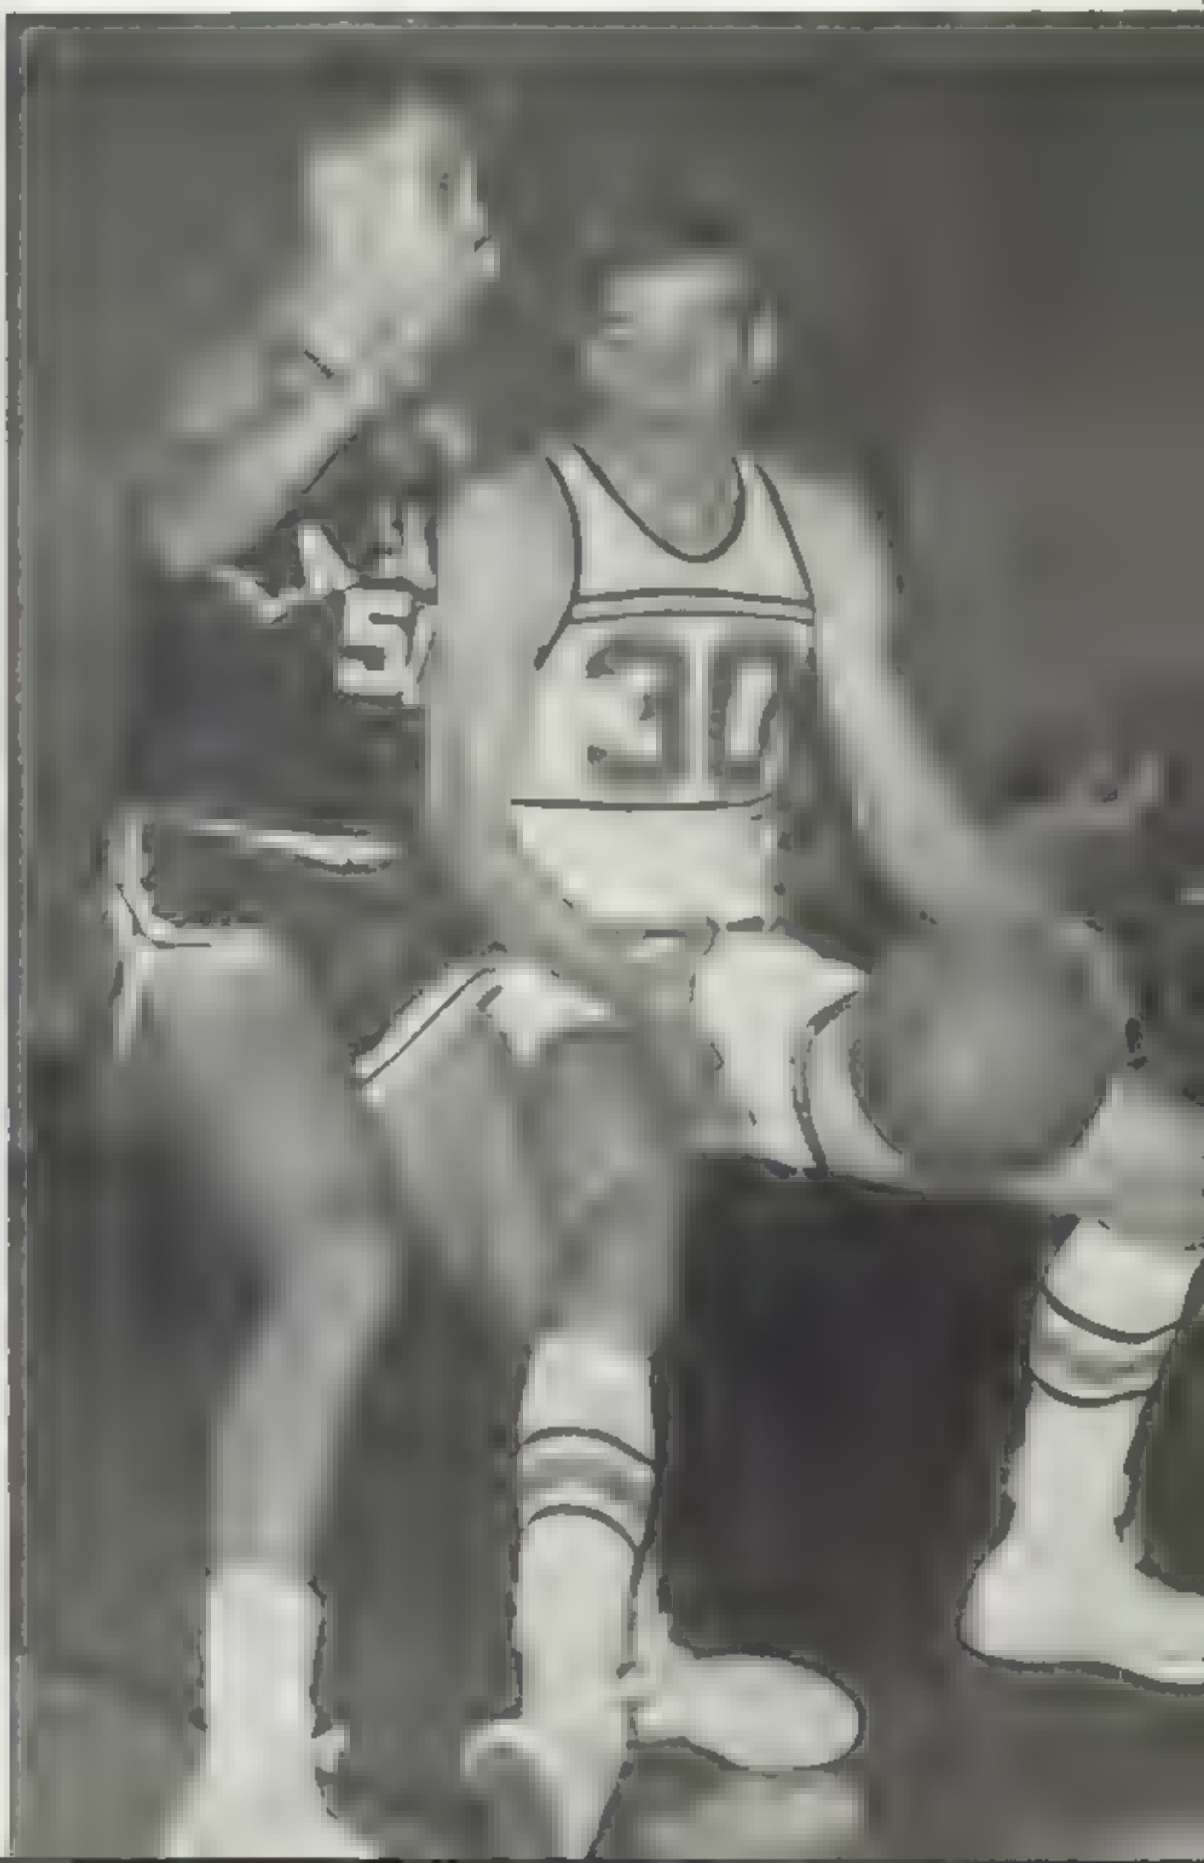

Friends, Study, Fun,

Scholastic Organizations such as National Honor Society with its Inductions, plus Study, Friends, Initiation, Dances led by Kings and Queens, and Winning Teams also catch each student in the whirl of excitement.

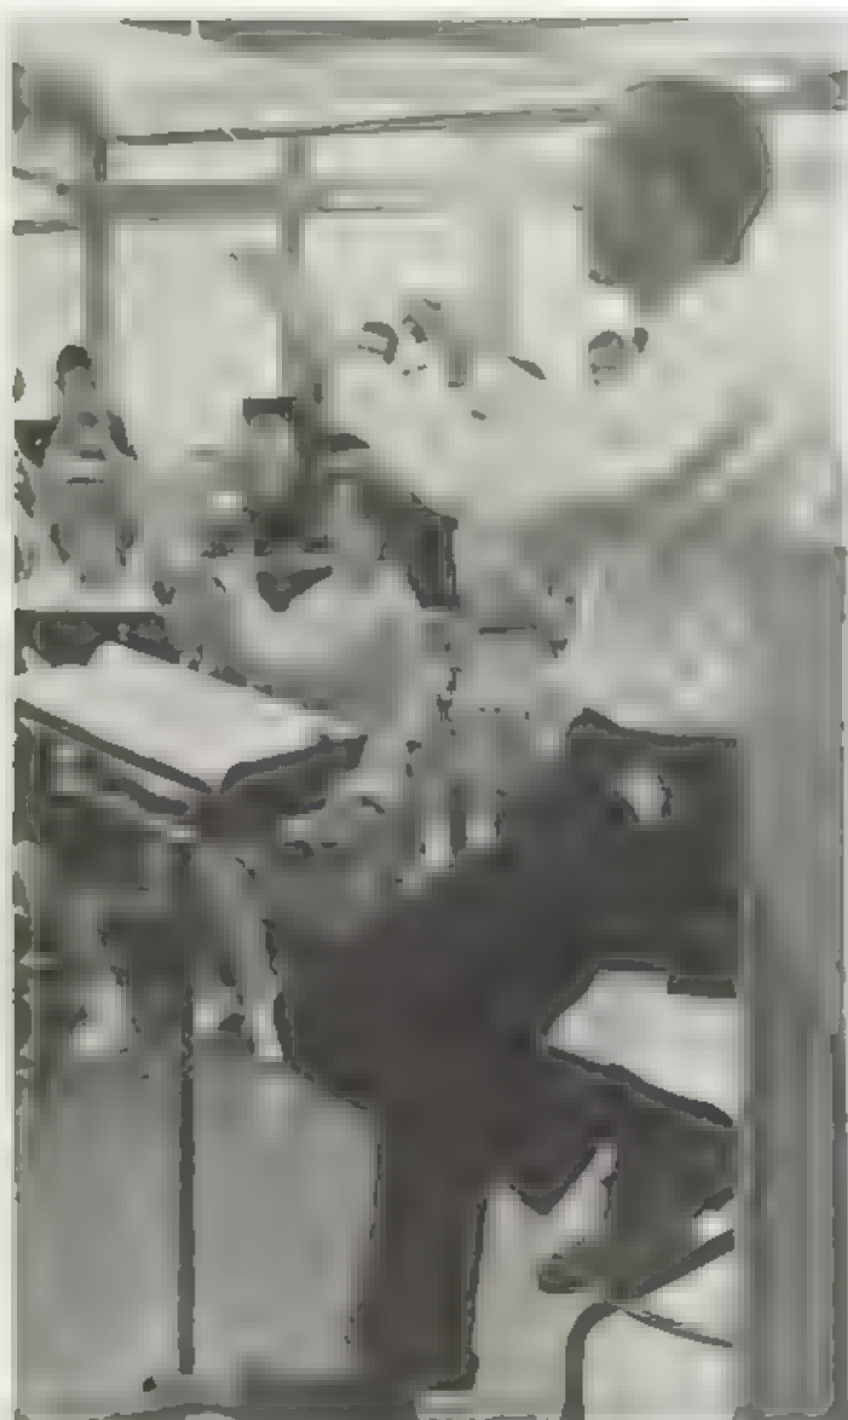

A Wildcat is never idle. Whether returning from an assembly, pulling for the team, hurrying home, studying, or meditating, he is a part of the rotating disc known as FINNEYTOWN.

Crowds, Hope and Concentration

DEDICATION

There have been many people in the history of the Finneytown School System who have worked diligently to make Finneytown one of Ohio's finest schools. One of these people is William Swartzel, Head of the Music Department.

Since he came to Finneytown nine years ago, he has created and built an excellent music department—one of which Finneytown can truly be proud.

He has created outstanding performing groups such as the Concert Choir and the Concert Band.

He has encouraged music appreciation in the community with the Mothersingers and the P.T.A. Chorus.

He has guided and encouraged those students who have shown special interests in the field of music.

He has helped Finneytown students to learn to appreciate good music.

He has truly taught them to Say It With Music.

In appreciation of his fine work, we dedicate this 1965 Annual to him.

THE SENIOR CLASS

FACULTY AND ADMINISTRATION

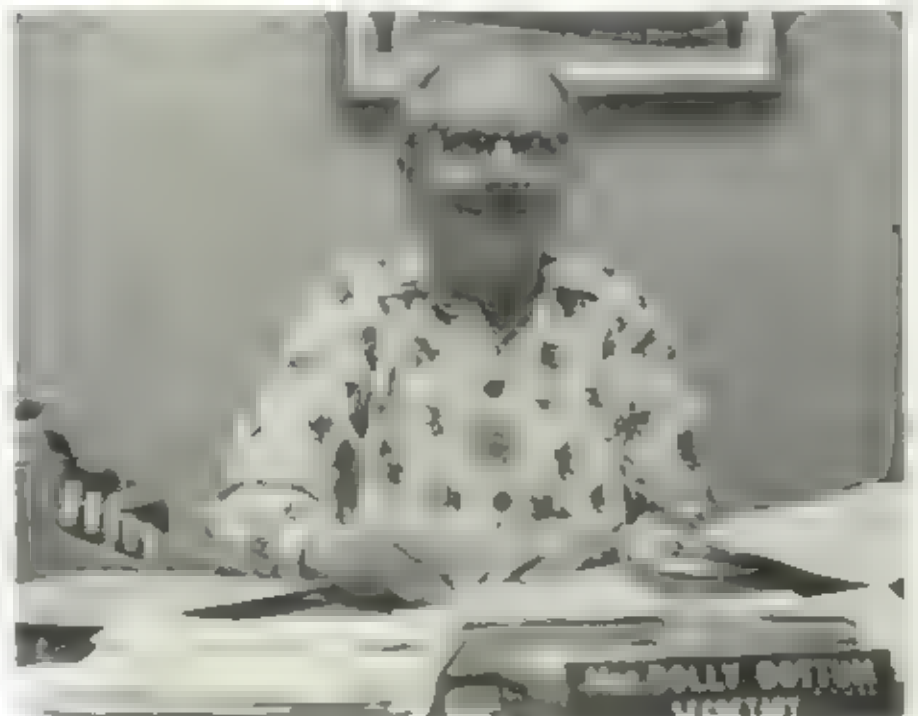

Mr. Telford A. Whitaker, Executive Head.

SUPERINTENDENT

Mr. Telford A. Whitaker, the executive head of the Finneytown School System, has been with the system for twenty-seven years. It is he who is responsible for the high quality of education the community now enjoys. His efforts and achievements have been honored in several ways: Finneytown's original school building and the National Honor Society chapter have been named after him, and Finneytown's first annual was dedicated to him. We, the Class of 1965, feel privileged to offer him our deepest thanks for his many accomplishments which have benefited us throughout our school careers.

Mrs. Dolly Bottum, Mr. Whitaker's dedicated secretary.

PRINCIPAL

Mr. Kenneth F. Scheurer became the high school principal this year after three years in the Finneytown School System. His conscientious efforts have helped to make the Seniors' last year highly successful. The new student bookstore, which he established, has been a very notable addition to our school.

Mr. Kenneth F. Scheurer, Principal.

Mr. Robert Moore, Assistant Principal.

ASSISTANT PRINCIPAL

Mr. Robert Moore has been Finneytown's capable assistant principal since 1958. His responsibilities include the purchase of textbooks, the discipline of students in grades seven through eleven, the lock and security system, and the lost and found items. Mr. Moore is always willing to offer help and advice to any student.

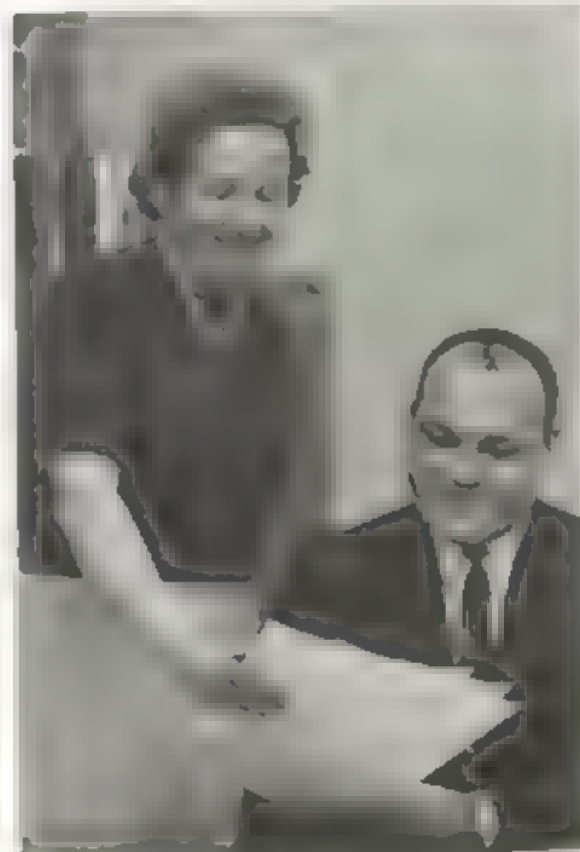

SCHOOL PERSONNEL

Working with the administration, the faculty, and the students to keep Finneytown High operating smoothly and efficiently are the secretaries, the health aide, the kitchen staff, the maintenance crew, and the student office help. Without them, school records, assistance to students and parents, first aid, school lunches, and school repairs would not exist. The results of the tremendous efforts of these people may be seen in every phase of high school life.

Answering the telephone is only one of Mrs. Margaret Phillips' many office duties.

Mrs. Jean Drake, secretary for the counselors, reminds Mr. Jack Corle of his daily appointments.

Mrs. Jane Norris, the new Clerk-Treasurer of the Finneytown Board of Education, is assisted by Mrs. Portia Stease, secretary, in handling the school's money.

Mrs. Janet Goebel bandages Senior Gene Drake's injured hand.

STUDENT OFFICE HELPERS lessen the work of the secretaries by carrying messages and answering the telephone, among other jobs. **BOTTOM ROW** Chris Jackson, Gene Drake, Sue Topits, Sue Morton, Carole Geddes, Cheryl Tieman, Judy Connor, Bonnie Meadors, Doris Snapp. **SECOND ROW** Janet Altenbach, Shaun Weaver, Camilla Haynes, Becky Bohart, Cathy Bohart, Sharon Wilde, Krista Hansen, Joyce Parsons, Pam Weedman.

The A.P. Physics Class, under the guidance of Mr. McNeal, takes pride in learning through experience.

TOP TEN PERCENT

Finneytown is well known for its scholastic achievement. The students in the Top Ten Percent best exemplify this quality through their academic excellence. The top student this year achieved a 3.86 average of a possible 4 points, while the lowest in the Top Ten Percent attained a 3.26. Many of these students have received recognition with scholarships, invitations to special events, awards, and membership in honorary organizations.

ADVANCED PLACEMENT CLASSES

Finneytown, in accordance with its emphasis on quality education, takes part in the program of offering college level work to promising high school students. This work is often rewarded by colleges through higher placement and the credits they award the student.

Bronwyn Jones, the missing third of the A.P. Chemistry Class, lends moral support to Linda and Karin.

"I know Mad Magazine is effective satire, but we're studying English Literature!"

The large number of "mathematicians" in the A.P. Math Class illustrates Finneytown's excellence in the field of Mathematics.

SENIOR ACTIVITIES

Shaun Weaver, the 1965 Homecoming Queen, shares a moment of glory with the 1964 Queen, Judy Agee.

Seniors catch a quick lunch during their busy day.

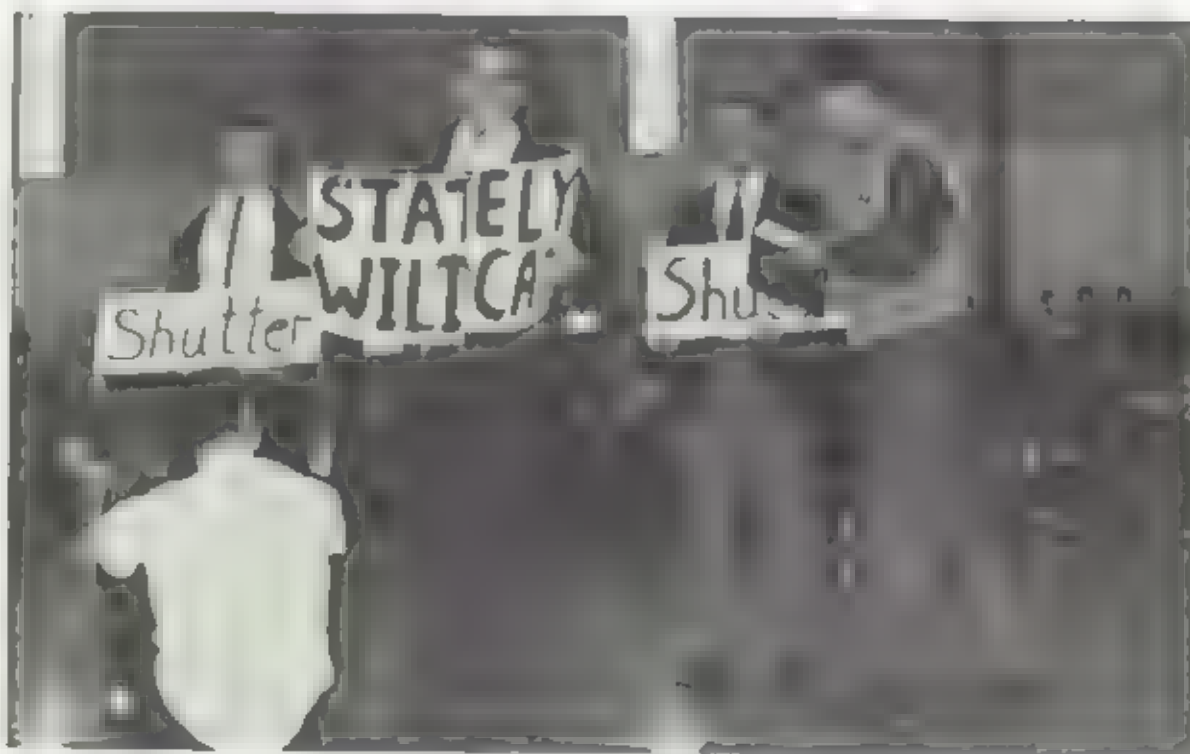

The A.P. English Class and their guests enjoy an evening of "hamming it up".

Greg gives his weight a "Bear" hug.

The Senior Class members lead a busy life. Whether they are taking part in planned activities or simply enjoying themselves, they are always on the go. In the years to come, they will have their memories of Homecoming and the Senior Float, the Winter Wonderland Christmas Prom, the pep rallies, the winning teams, their first political rally, and the excitement of the Senior Prom and Graduation to look back upon with pleasure.

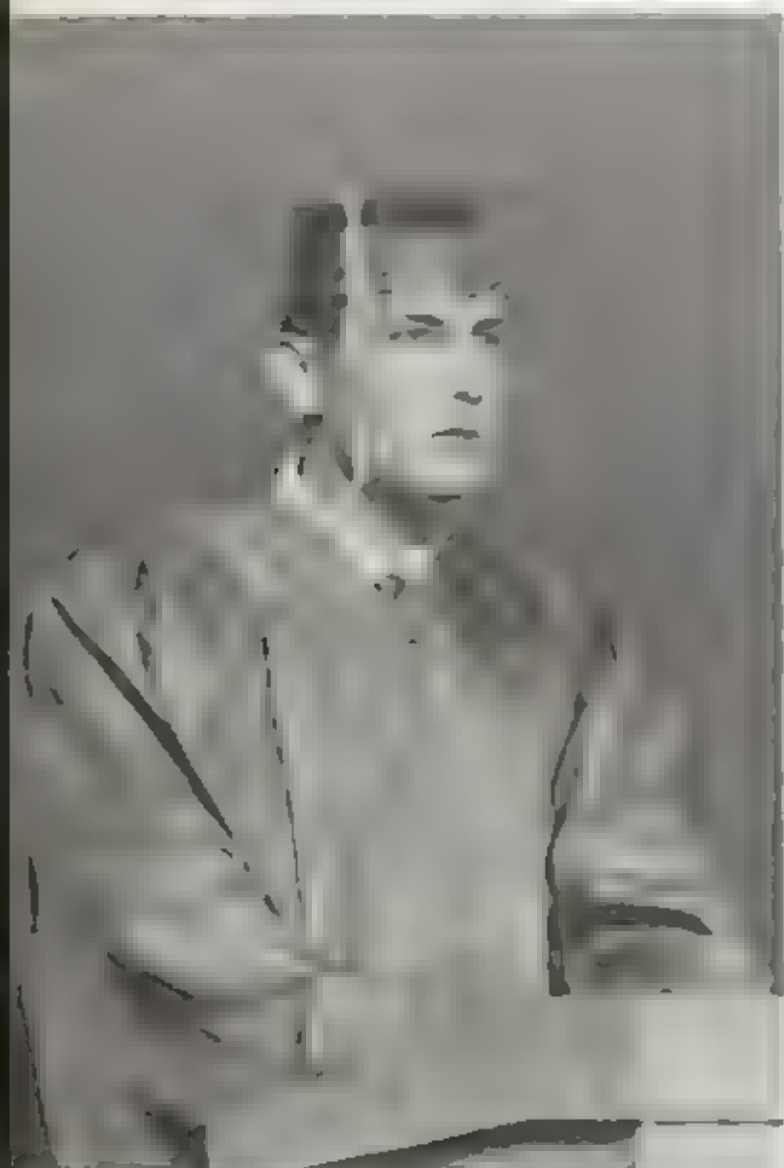

Happiness and sorrow combine in a moment of finality.

The beauty and simplicity of flowers symbolized the tenderness in the hearts of the graduates.

PAST

Bruce Burggraf, Valedictorian for the Class of '64, shares the memories of happy days gone by.

GRADUATION

PRESENT

The graduates look back with a smile as they remember . . .

"We'll still see each other during summer vacation?!"

The Seniors hurry to their glorious moment . . . GRADUATION.

Studying takes up a lot of a Junior's time.

The Class of '66, headed by Mr. Bean, has worked this year towards a definite goal. The Juniors believe that it is the best Prom ever. A few of the money-raising activities have been car washes, a Junior High dance, Wildcat cushion sales, and pretzel sales. The hard-working Juniors are looking forward to working even harder as Seniors.

The Class of 1967 organized early this year and began planning for their Prom next year. Soon after school started the halls were mobbed with Sophs selling their wares. One Sophomore would try to sell a Wildcat decal while a classmate gave the sales pitch on pencils with the '64 football schedule on them. The class sponsor, Mr. Wagner, seems to have that special something that gets those Sophs moving! Good luck, kids, you're doing a great job!

FRESHMAN CLASS

The Freshman Class, advised by Mr. Combs, appears to be one of the most energetic classes in Finneytown's history. It is one of Finneytown's first Freshman Classes to organize and elect officers early in the year. Alive with enthusiasm, it is already planning for its prom in '67. The Freshmen also show such pep and energy at games that they will be a real threat to other classes in competing for the cheering trophy.

STUDENT COUNCIL

Student Council is the meeting level for the student body and the administration. It strives to attain better school standards, improve student-teacher relationships, and regulate social activities. The Council functions as the governing body for all student organizations.

The financial budget of the Student Council is met by the operation of the ice cream concession, leasing of the candy machines, and managing the student book store, a new project this year. Monetary assistance is given to other clubs by the Council when needed.

NATIONAL HONOR SOCIETY

Emphasizing the four ideals of the organization, character, scholarship, leadership, and service, the Telford A. Whitaker chapter of the National Honor Society has established a tutorial system to provide free instruction for any student needing help in a subject. A scholarship is awarded each year by the N.H.S. to an outstanding Senior.

Under the guidance of Mrs. Helen Wentzel, the Honor Society holds annual Tapping and Induction Ceremonies, as well as alumni parties and Senior picnics. This year's money-making projects were carried out to earn money for the scholarship fund, and also to buy new stoles for N.H.S. members to wear on their graduation gowns.

José describes one of the lighter aspects of Spanish culture at the Honor Society's first program meeting.

The American Field Service also helps finance trips to foreign countries for American students, both for a summer and for an entire year. The A.F.S. candidates from F.H.S. this year are Mike Johnstone, Sue Miller, School Program; Sue Huelsebusch, John Sellins, Summer Program.

"Walk together, Talk together, O ye peoples of the earth: Then and only then shall ye have peace." The American Field Service supports this motto by bringing a foreign student to Finnevtown each school year. This year our student is Pierrick Roynard.

With the aid of the adult chapter and money-making projects such as a Christmas card sale, sock hops, a spring fashion show, and bake sales, the A.F.S. is preparing to help finance another student next year.

"Happy Birthday To You," Pierrick!

OND ROW** Mr. Doerner, Mrs. Doerner, Sue Doerner.

Pierrick Roynard hails from Paris, France. Finneytown's third exchange student lives with the John H. Doerner family. Pierrick graduated from his French high school in 1964, and is now a member of our Senior Class. He enjoys the sports and the school spirit here, since inter-school competitive sports hardly exist in France.

At Finneytown, Pierrick's course of study includes Contemporary Civilization, American History, Junior English, and Senior Health. Among his various activities, he is Co-President of A.F.S., a member of the French Club and the French Conversation Group, and a member of the Cincinnati Chapter of the Alliance Française. Best of luck to you, Pierrick, and we hope you're enjoying your stay!

Cindy reminisces about her sunny days in Italy.

Cindy Johnson, a Senior, spent last summer as an American Exchange Student in Milan, Italy. She traveled from New York with other A.F.S. students on the Holland-American liner, M.V. *Seven Seas*, to Rotterdam. On her way to Italy, she traveled through Germany and Switzerland by train. With her Italian family, the Mario Riccios, she visited Nice, France, and Monaco.

Cindy was selected by a board of adult members of the Finneytown A.F.S. chapter and by the A.F.S. in New York on the basis of her grades and personality.

FRENCH CLUB

The main purpose of the French Club, named *La Petite Alliance Française*, is to further its members' appreciation of the French people and their culture. This year, the club's main activities were the translation of pamphlets about France from French into English for use in the school library, and a Paris Party. Anyone in grades nine through twelve who is taking French is welcome to join.

SPANISH CONVERSATION GROUP

The members of the Spanish Conversation Group meet several times a month to increase their Spanish-speaking ability through practice. Mr. Carney and Mr. Cornwell, the club's advisors, usually lead the discussions. The highlight of this year occurred during the Christmas season when the club held a piñata party to bring to its members some of the spirit of the Spanish culture.

The informal atmosphere of the **FRENCH CONVERSATION GROUP** provides an opportunity for pleasant chats.

THE SPIANS

The Thespians, whose purpose is to bring together any students interested in acting, produced the play "Mrs. January and Mr. Ex-." Under the direction of Mrs. Lashley, this group presented Finneytown's first theater-in-the-round play concerning politics, love, and money on March 26 and 27. The cast began rehearsing early in February and practiced regularly for two months. Along with the cast, a crew of students worked behind the scenes to help make the play a success. MAJORETTES

The talented and attractive majorettes, who must be members of the Concert Band, add brilliance to F.H.S. sports events. They perform at

some basketball games and in conjunction with the Marching Band at football games. Several of them have earned medals in baton-twirling contests.

DRUM MAJOR

The F.H.S. drum major acts as field director for the Marching Band during the football season. Donn Delson has proven quite capable, not only in leading the band, but also, in aiding the music department in its many endeavors.

CONCERT BAND

The instrumental section of the Music Department is made up of three bands under the expert direction of Mr. Swartzel and Mr. Lasonczyk: the Marching Band, the Scarlet Band, and the largest of these, the Concert Band.

The year started for our Band with a week at band camp to prepare for the marching season. During the fall most of the members of the Concert Band make up the marching unit which presents lively music and intricate marching formations for the football half-time festivities. The first Homecoming Parade was a memorable part of the marching season this year.

Highlights of the year have included the dedication of the new I-75 expressway in November, 1964 the Winter Concert, the Band Festival, the Band Banquet, and participation in the district and state contests.

The members of the band help raise funds for uniforms and special equipment with the annual Christmas tree and Booster Bar Sales and through the concerts.

SCARLET BAND

The Scarlet Band, which is composed of forty select musicians from the Concert Band, presents impressive programs at concerts and other school functions. Smaller groups of the Scarlet Band play at pep assemblies, and a special group combines with the orchestral players in presenting the annual musical production.

ENSEMBLE CHOIR

The most select choral group of Finneytown High is known as the Ensemble Choir. It is an extension of Concert Choir and an extracurricular activity which meets before school. Its participants sing to obtain a deeper appreciation of all types of music and to seek enjoyment and education through choral expression.

The Girls' Glee Club, including girls in all grades in high school, has a common goal: to gain a more complete appreciation of music. The Glee Club is also a preparation for membership in Concert Choir. The girls perform in the Spring and Winter Concerts, state contests, and other productions of the music department under the excellent direction of Mr. Tad Lasonczyk.

BOYS' CHORUS

The Boys' Chorus, open to boys in grades nine to twelve, is offered as an exploration in choral literature suited for their voices, and as a preparatory requirement for Concert Choir. The Chorus, directed by Mr. Lasonczyk, appears in the concerts, and the musical selections include music of the masters, novelty songs, musical show songs, and spirituals. Steve Schottmiller is the accompanist.

the Finneytown Concert Choir received a Superior Rating in district competition.

The choral department has sponsored two money-making projects for the purpose of buying new robes: the Pancake Supper and the sale of Christmas place settings.

Sue and Pam smile for the birdie.

ANNUAL STAFF

The 1965 Annual survived the threats of "no annual," and the staff went on to the long hours of putting it together under the guidance of Mrs. Carey and Mrs. Lindhjem. The co-editors, Pam Chambers and Susan Smith, took on the huge responsibilities of turning out a yearbook. The annual staff was finally situated in a former equipment room in the gymnasium. Choosing and cropping pictures, writing and typing copy, headlines and captions, and meeting deadlines were all a part of the staff's seemingly never-ending production work. Selecting topics of interest to the students, and situations which would bring back pleasant memories, became part of the enjoyment that the staff received in preparing this annual for the student body; and with that came the satisfying knowledge that the 1965 Yearbook would be an outstanding yearbook in Finnevtown's history.

THE WILDCAT'S TALE

The Wildcat's Tale, in its seventh year, reached a new high this year with editor John Sellins under the guidance of Miss Margaret Morgenstern. The Tale's office was shared with the annual in the gymnasium. The Tale presented informative and entertaining reading to the students of Finneytown, and kept them up-to-date on all the activities on campus. A goal was set to publish the Tale every two weeks and was successful. The Shadow, along with other new columns, helped the staff to be proud of its circulation

UNIT ONE

Under the guidance of Mr. Dudgeon, Unit I provides technical advice and assistance for all dances, concerts, sock hops, plays, and shows held at school. Unit I provided the lights and sound for the Junior Women's Club Variety Show, and spent a great deal of time and effort to perfect the lighting and sound effects for *High Button Shoes*, the production presented by the Music Department this year.

The acquisition of an enclosed sound booth, lighting equipment, and more general equipment was this year's goal of Unit I. With the realization of this goal, over two thousand dollars worth of equipment has been accumulated. Any boy in grades eight through twelve can join this group

Come now, Ric, must you always be in the spotlight?

More Life At Finneytown

A realm of adjectives describes life at Finneytown—challenging, unpredictable, exciting, fun-filled. . . . The serious aspect of Finneytown life, its academic challenge, is intermingled with the lighter aspects—pep rallies, ball games, the annual musical production, the extracurricular clubs. One is frequently a spectator to amusing or unpredictable situations—a study-hall without a teacher, the sudden spark of enthusiasm kindled when our team gets the ball, the three-minute gab sessions between classes, the look of amusement on a teacher's face as he reads the answers to his last pop quiz. All this, plus much more, spells Finneytown.

Homecoming 1964

The 1964 Homecoming saw a Finneytown victory over Harrison. The other two big winners of the evening were the Sophomores, who created and built the winning float, and Shaun Weaver, who captured the title of Homecoming Queen. The Queen's court consisted of Cathy Gravitt, Susan McClure, Sandy McClure and Cindy Johnson. The Expressions entertained the students and alumni attending the Homecoming Dance.

The Class of '67 captures first prize in the Homecoming Float.

It's not your tuba anymore, Bob!

Head majorette Shaun Weaver accepts these roses and the title "1964 Homecoming Queen."

"Whoops," cries Cathy, "I taped your finger to the float!"

Queen candidates and their escorts: Sandy McClure, Greg Ollinger; Susan McClure, Wally Davidson; Cindy Johnson, Ed Ziegenhardt; Cathy Gravitt, Steve Roschke; Shaun Weaver. Jim Bernat.

The week drew to a close with the traditional dance—the theme was “Blue Hawaii.”

The Sophomore skit, a story about Ruby Jack, won first prize at the Banquet.

Norma Pinheiro, Finneytown's 1963-1964 foreign exchange student from Brazil, was crowned G.A.A. Queen at the traditional semi-formal turn-about dance.

G. A. A. Girls' Week, 1964

Girls' Week, a tradition at Finneytown, is sponsored by the Girls' Athletic Association. During the week designated, many interesting events are planned. They include a posture contest, a style show, and Teacher Appreciation Day, and are culminated by the Mother-Daughter Banquet and a dance. For the Banquet each homeroom makes tables decorations for which prizes are given. Sports awards are presented at this time, and each class entertains the guests with a lively skit

Homeroom table decorations are a highlight of the Mother-Daughter Banquet.

The special fashion show comes close to the end of Girls' Week. Here, Carole Geddes models the spring coat she made.

"Yeah, yeah, yeah," the Juniors' skit was wild and funny.

Under the direction of Mr. William Swartzel and Mr. Tad Lasonezyk, the Music Department produced the annual show of 1964—a Broadway musical, "The Red Mill" by Victor Herbert. The cast was composed of members of the choruses

and the student body while members of the band supplied the musical accompaniment. The show was presented on April 23, 24, and 25, to a most receptive audience

The Red Mill

by Sammy Cahn and Jule Styne

The adventures of Harrison Floy and his friend Mr. Pontdue, add a delightful touch to the humor of the constant conflict between "dear old Rutgers" and the town of New Brunswick. Floy, upon returning to his home town, is immediately picked by Mama Longstreet as an excellent match for her sister Fran: the fact that Fran already has a boyfriend who plays football at Rutgers does not seem to bother her. Floy's genius for hoodwinking the public enables him to convince Mama that he can sell her swamp and make her rich. This is accomplished at a picnic which ends in disaster as one of the buvers sinks two feet into the lot. Floy and Fran elope but do not marry when they reach Atlantic City and, in the old-time cops and robbers tradition, they are chased, encountering many difficulties on their way. What follows could only be described as chaos

Our high-stepping Seniors lend an added sparkle to both the tall and short pony choruses.

"Watch out for that tree!" exclaims Carol through clenched teeth.

"Just because you're tired and miserable, you don't have to take it out on me."

Carol Blust, Ben Neiman, Bob Ward and Marc Lewis are up to their usual scene-stealing antics.

One, two, three . . . oops."

"They could have danced all night."

A very happy queen reigns over the festivities of an enchanting evening.

The 1964 Junior-Senior Prom

The social highlight of the 1963-64 school year was the Junior-Senior Prom, sponsored by the Class of '65. It was held at the Sheraton-Gibson Ballroom on May 2, 1964. Paul Betz provided the music for a wonderful night of dancing. The crowning of the Prom Queen, Miss Paula Queen, topped off the evening royally. Paula's Court included Janet Gilhart, Kathy Martin, Linda Sharp, Sue Williams, and Cheryl Winner. A perfect evening came to an end on the after-the-prom boat ride aboard the *Jubilee II*.

Even the chaperons had fun at the Prom!

The Cats returned home with two trophies under their belt—the Hamilton County League Co-Champion trophy and the Oxford District Co-champs trophy. With four starters returning next year, the Cats are sure to have another great year.

GOLF

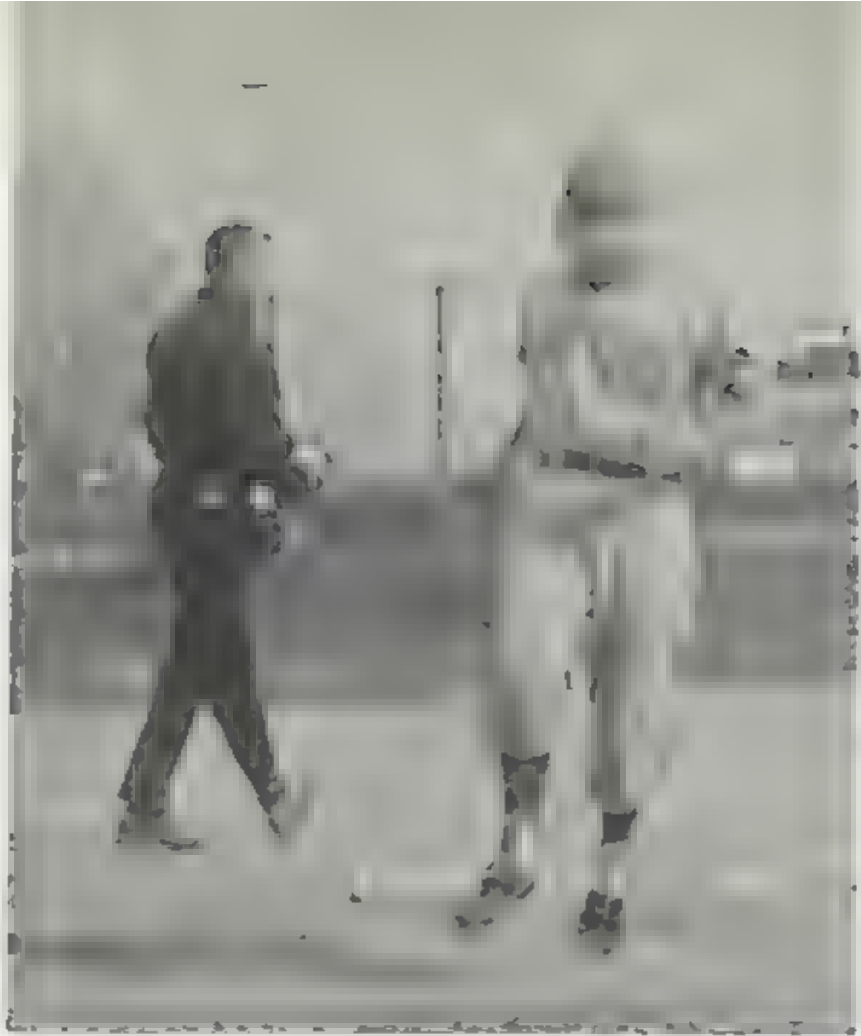

Under the coaching and supervision of Coach Carney, the Golf team again took to the greens early. Practices were held every Tuesday and Thursday, either on the school grounds or at Winton Woods. A lot of time and hard work has been done with the hope that the team will have a successful year in the interscholastic matches.

Playing golf without a ball can be fun.

BASEBALL

With the coming of March, spring training was under way. As is usual every year, the attendance for spring training and team tryouts was overwhelming. Many of the players have returned from last year. New faces have been added to the roster as well. The varsity faces a rough schedule; however, a profitable year is expected under Coach Miller.

TRACK

Under the able coaching of Mr. Williams and Mr. Dudgeon, the track team, as usual, did a fine job. St. Bernard was one of the teams which met defeat at the hands of the Wildcats. The participation on the track team was one of the largest in the school's history. The team gave forth a great effort and a fine showing in the meets attended throughout the spring.

G. A. A. SOFTBALL

With the coming of spring, much enthusiasm was shown for softball, as evidenced by the attendance. Inter-class games were held, and, as in volleyball, the main rivalry was between the Seniors and Underclassmen. Shaun Weaver, manager, supervised the games and kept attendance records

G.A.A. Softball attracted many girls to the diamond.

TENNIS

When the sun comes out, so do the G.A.A. tennis players. The girls play on various courts in the Cincinnati area, receiving points each time they participate. Krista Hansen, manager, supervises the matches and keeps all records of all girls participating in this spring sport.

The courts are buzzing with these G.A.A. tennis enthusiasts.

HOCKEY

The coming of fall saw the arrival of the wild and rough game of field hockey. Varsity and Reserve teams were chosen from the many girls who came out for this knee-battering sport. Interscholastic competition was again on the agenda, and the girls brought home a well-earned victory over Oak Hills with a score of 4-0. Pam Schweikert, manager, kept attendance records and supervised play.

These are the G.A.A. Varsity and Reserve hockey teams.

VOLLEYBALL

A late-fall indoor sport, volleyball this year drew many girls, not only for the Varsity and Reserve teams, but also for intramurals. Interscholastic competition was keen, and the girls brought home a victory over rival Hamilton Garfield. Intramurals consisted of games between the classes, with the main rivalry between the Seniors and Juniors. Manager Kathie Queen did a good job supervising and keeping attendance records.

The Seniors score another point during an inter-class game.

BASKETBALL

Again this year, the girls' Varsity and Reserve basketball teams participated in interscholastic competition. They challenged such schools as North College Hill, Lockland, and Wyoming. The Varsity's record with Sherry Francisco as captain was 2-3, while the Reserve's record with Sophomore captain Wilma Dorth was 3-2. Because both teams did a fine job under the new coach, Miss Feldkamp, more victories are foreseen in the future.

Heavily guarded, Sherry Francisco attempts a pass to teammate Lois Ball.

JUNIOR HIGH BAND

The Junior High Band is a training group in preparation for the Senior High Band. The students participate in events similar to those of the High School, including marching for football games, performing in concerts, and participating in assemblies. The band studies three days a week under the direction of Tad Lasenczyk. However, the majority of the students do not limit themselves to these school functions. Many attend solo and ensemble contests, competing with Junior High students from other areas. In May, the band received a superior rating in the district band competitions. Those students in the eighth grade have the opportunity to attend a summer band camp where their skills are further developed. These students will form the core of the Senior Band in future years.

“Not just an extension . . . It's my very own line!”

“ . . . And it's great! Now Dad can call home without getting a busy signal . . . and Mom . . . she says she almost forgot what it was like to pick up the phone and call somebody . . . ”

It's easy to see why so many busy families are ordering second lines to handle teenage talkathons. This wonderful convenience is worth many times its little added cost.
